Schedule C, Part IV, Additional Information

MCEA reports its "direct lobbying expenditures" as defined by federal tax law. That is limited to efforts to "influence" specific pieces of legislation, and does not include advocacy work in the executive or judicial brances, nonpartisan analysis of policy issues and related communications and handling requests for information from legislators or

Part IV Supplemental Information (continued)

staff. "Lobbying" under Minnesota campaign finance law is much broader than "lobbying" under federal tax law.

In previous 990 returns, MCEA has included expenditures for some activities that would fall outside the federal definition of lobbying. This return adjusts MCEA reporting to tie it to the federal definition. The smaller number reported in this return does not therefore reflect a substantive change in MCEA's activities.

Form 990, Part III, Line 4d - All Other Achievements

Public Health (total costs \$126,153): addresses the risks posed by toxic chemicals in our air, water and soil. Our focus includes advocating for policies to protect children's health; identifying links between environmental pollutants and disease and removing the risk factors; and improving management and reducing the use of hazardous pesticides contaminating Minnesota's drinking and surface waters.

Wildlife & Natural Resources (total costs \$94,988): works to conserve, protect, and advocate for policies and practices that will sustain lakes, rivers, forest and streams, as well as the communities that depend upon them to prevent long term damage and destruction. For example, MCEA has been a key leader in the Red River basin since 1998 when a mediation agreement was signed that proposed a new approach to achieve both flood damage reduction and natural resource enhancement goals.

Form 990, Part VI, Line 11b - Organization's Process to Review Form 990

It is the policy of the Minnesota Center for Environmental Advocacy (MCEA) that MCEA staff will generate all financial information for the external audit and 990 tax return.

After staff review of the draft audit and 990 documents, the Administration and Finance Committee of the Board will meet with staff to review the draft documents for approval and recommendation to the Board.

The recommendation of the Administration and Finance Committee will be presented to the full Board for adoption.

These actions will be completed before the first filing date of November 15 of reporting year.

If the full Board cannot meet and consider the recommendation prior to November 15, the Executive Committee may act on behalf of the Board on the recommendation.

Form 990, Part VI, Line 12c - Enforcement of Conflicts Policy

The Board requires each director, officer and staff member to be advised of the Conflict of Interest Policy, and provided a copy, immediately upon assuming duties or relationship at MCEA.

Public Disclosure Copy

At every other Board meeting, the members are reminded of their obligation to declare any conflicts of interest. Each fall, the board members are provided with the necessary forms to update their status. Staff works with Board members to have all forms completed and returned.

Form 990, Part VI, Line 15a - Compensation Process for Top Official

The following describes the process used by MCEA to set compensation for its executive director.

MCEA compensation includes salary and benefits. The benefits package includes paid time off (accrued at varying rates based on tenure) and a benefits payment that can be used to purchase health care, purchase other

coverage, contribute to retirement or be used in another manner as determined by the employee. Every employee receives the same benefit package. The benefits payment is designed to cover at least the cost of individual health care insurance for the employee. The amount of the payment is reviewed annually and adjusted as coverage costs and budget allow.

MCEA salary compensation for the executive director is determined based on the following factors:

1. Current salary and tenure of incumbent (or previous incumbent if filling vacancy).
2. Salary and tenure of comparable positions, including other organizations of like size and activity as reported on their 990.
3. A survey of the existing market based on similar job postings on the MN Council of Nonprofits website, local newspapers and job boards and national sources such as Monster.com.
4. A published survey of reported salaries/compensation for executive director or other top positions. The primary source for this information in Minnesota is the Minnesota Nonprofit Salary and Benefits Survey published regularly by the MN Council of Nonprofits.

This information is evaluated by the Board of Directors executive committee, with action recommended by the committee submitted to the full board for final approval.
