

Minnesota Survey Results

- Q1** Do you approve or disapprove of President Joe Biden’s job performance?
- Approve* 42%
Disapprove..... 50%
Not sure 8%
- Q2** PolyMet is a proposed copper-nickel mine in northeastern Minnesota near Hoyt Lakes, upstream of Lake Superior. Based on what you know, do you support or oppose the PolyMet copper-nickel mine?
- Support* 36%
Oppose 33%
Not sure 31%
- Q3** Twin Metals is a proposed copper-nickel mine in northeastern Minnesota near Ely, upstream of the Boundary Waters Canoe Area Wilderness. Based on what you know, do you support or oppose the Twin Metals copper-nickel mine?
- Support* 34%
Oppose 35%
Not sure 31%
- Q4** One proposed copper-nickel mine in Minnesota would operate for 20 years but would require ongoing treatment of polluted water and maintenance of the site for hundreds of years after it closed. Based on this information, do you support or oppose this proposed copper-nickel mine?
- Support* 34%
Oppose 44%
Not sure 22%
- Q5** One proposed copper-nickel mine is owned by a corporation whose employees have been convicted of bribery and corruption for its operations in other countries. Do you think Minnesota should give a permit for a copper-nickel mine to a global corporation that has engaged in bribery and corruption in its other operations, or not?
- Yes*..... 14%
No..... 67%
Not sure 19%
- Q6** After several mine dams collapsed, killing hundreds of people, the countries of Brazil, Chile, and Peru banned mine dams constructed using an “upstream” method, where the dam is raised over time using waste rock from the operation. Do you think Minnesota should ban upstream mine dams, or not?
- Yes*..... 46%
No..... 22%
Not sure 33%
- Q7** The PolyMet copper-nickel mine proposal has had all four of its major permits rejected or suspended by the courts. Do you think Governor Tim Walz should move on from PolyMet and propose a different economic development plan for the area, or do you think he should stay the course on PolyMet and continue to defend the company’s application?
- Think Governor Tim Walz should move on from PolyMet and propose a different economic development plan for the area* 51%
Think he should stay the course on PolyMet and continue to defend the company’s application..... 21%
Not sure 29%

Q8 A few years ago, new mining was prohibited in an area around the Grand Canyon to protect its waters from pollution. Some people say that mining should be prohibited in areas where polluted runoff could enter the Boundary Waters Canoe Area Wilderness. Do you agree or disagree with that statement?

Agree 61%
Disagree 19%
Not sure 20%

Q9 Legislation called “Prove it First” has been introduced in Minnesota requiring independent scientific proof that a copper-nickel mine has operated elsewhere in the US for at least 10 years without causing pollution and that the mine has been closed for at least ten years without causing pollution before allowing such a mine in Minnesota. Do you support or oppose this legislation?

Support 57%
Oppose 15%
Not sure 28%

Q10 Do you think Minnesota Governor Tim Walz has done too much, too little, or just the right amount to address climate change?

Think Minnesota Governor Tim Walz has done too much to address climate change 32%
Think he has done too little to address climate change 29%
Think he has done just the right amount to address climate change 19%
Not sure 20%

Q11 Do you think the Minnesota Legislature has done too much, too little, or just the right amount to address climate change?

Think the Minnesota Legislature has done too much to address climate change 31%
Think it has done too little to address climate change 40%
Think it has done just the right amount to address climate change 11%
Not sure 17%

Q12 Do you think all projects proposed in Minnesota large enough to require an environmental study should include a section on the greenhouse gas pollution the project would emit and how to decrease that pollution, or not?

Yes 54%
No 29%
Not sure 16%

Q13 Minnesota set bipartisan greenhouse gas reduction targets in 2007, based on the best scientific guidance at the time. Since then, the international body of climate scientists has set more aggressive targets based on new data. Do you think Minnesota should update its greenhouse gas reduction targets to be consistent with the current targets of the international scientific community, or not?

Yes 55%
No 31%
Not sure 14%

Q14 Today, 40% of Minnesota Lottery profits are allocated to projects to protect the environment. In the next few years, the Minnesota Legislature will have to reauthorize the Lottery and allocate its future profits. Which of the following courses do you think the Legislature should take: continue allocating 40% of Lottery profits to environmental protection, increase the amount of Lottery profits allocated to environmental protection, or decrease the amount of Lottery profits allocated to environmental protection and use them for something else?

- Think the Legislature should continue allocating 40% of Lottery profits to environmental protection*..... 34%
- Think it should increase the amount of Lottery profits allocated to environmental protection*..... 39%
- Think it should decrease the amount of Lottery profits allocated to environmental protection and use them for something else ...* 18%
- Not sure*..... 9%

Q15 Dairy operations in Minnesota have grown significantly, and a bill at the Minnesota Legislature has proposed placing a cap on the size of Minnesota dairy farms at a maximum of 715 dairy cows. Advocates for the bill say that large dairies are driving small family farms out of business, while opponents say that the dairy industry must grow to survive. Based on what you know, do you support or oppose this legislation?

- Support*..... 46%
- Oppose*..... 26%
- Not sure*..... 28%

Q16 Minnesota lakes are increasingly polluted with salt or chloride that come from applications to melt ice in the winter. Legislation encouraging smarter salting and limiting the liability of businesses who complete a course on safely avoiding the overuse of salt has been proposed in Minnesota. Based on what you know, do you support or oppose this legislation?

- Support*..... 69%
- Oppose*..... 16%
- Not sure*..... 15%

Q17 In the 2020 election for President, did you vote for Republican Donald Trump, Democrat Joe Biden, someone else, or did you not vote in the election?

- Donald Trump*..... 44%
- Joe Biden*..... 51%
- Someone else / Did not vote*..... 5%

Q18 If you are a woman, press 1. If a man, press 2. If gender non-binary, press 3.

- Woman*..... 51%
- Man*..... 45%
- Gender non-binary*..... 3%

Q19 If you are a Democrat, press 1. If a Republican, press 2. If an independent, press 3.

- Democrat*..... 33%
- Republican*..... 28%
- Independent*..... 38%

Q20 If you are white, press 1. If other, press 2.

- White*..... 86%
- Other*..... 14%

Q21 If you are 18-45 years old, press 1. If 46-65, press 2. If older than 65, press 3.

- 18 to 45*..... 39%
- 46 to 65*..... 40%
- Older than 65*..... 21%

Q22 What is the highest level of education you have received: high school graduate or less, some college but did not finish, 2-year college degree, 4-year college degree, or post-graduate degree?

<i>High school graduate or less</i>	27%
<i>Some college but did not finish</i>	20%
<i>2-year college degree</i>	14%
<i>4-year college degree</i>	26%
<i>Post-graduate degree</i>	14%

Q23 Do you live in Minneapolis-St. Paul, the Twin Cities suburbs, or greater Minnesota?

<i>Minneapolis-St. Paul</i>	13%
<i>Twin Cities suburbs</i>	42%
<i>Greater Minnesota</i>	45%
